

## **COVID-19 WARNING**

We have taken enhanced health and safety measures for you, our other guests and employees. An inherent risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death. According to the Center for Disease control and Prevention, senior citizens and guests with underlying medical conditions are especially vulnerable. By visiting the South Point, you voluntarily assume all risks related to exposure to COVID-19.

### **PROPERTY WIDE**

Though all occupancy and social distancing restrictions have been lifted the below practices will remain in place:

- **All individuals will be required to wear a face covering while indoors on property.**
- Hand sanitizing stations are installed throughout the property.
- Enhanced cleaning technologies, such as electrostatic sprayers and EPA approved disinfectants, will be utilized throughout the property.
- The frequency of cleaning has been significantly increased throughout the public and non-public areas of the property.
- All employees have received training on our safety protocols. Emphasis is placed on personal protective equipment, cleaning and disinfection, hand washing and social distancing.
- 87% of South Point employees have been vaccinated. Those that have not are required to test biweekly.
